

Your innovation experts in
natural health products

Senior Clinical Research Associate (m/f/d)

analyze & realize GmbH (a&r) is a leading consultancy company and Contract Research Organization located in Berlin, Germany, with a specific focus on natural health products. We provide highly specialized services to marketeers of pharmaceuticals, supplements, medical devices, cosmetics, and ingredients.

Our key offerings in the Consumer Healthcare market are: providing strategic innovation consulting on all aspects of regulatory requirements, science, and product development as well as conducting clinical studies (nationally and internationally) for the respective products.

Currently, we are looking for a Senior Clinical Research/Project Manager for our Clinical Research Team - full-time.

Main areas of responsibility:

- Evaluation and initiation of study centers
- Execution as well as preparation and follow-up of monitoring visits nationally and partly in Europe
- Preparation of monitoring strategies and plans
- Support in research and evaluation of new study partners
- Preparation of study-relevant documents in German and English
- Support of the study sites in the context of site management
- Lead CRA function (without personnel responsibility)
- Support of project management, depending on needs and suitability

The job advertisement is aimed at ambitious and committed CRAs / Senior CRAs who would like to continue in this position with great motivation. In our international studies, co-monitoring visits in other European countries may also occur. Otherwise, the travel activities mainly refer to the Berlin and Brandenburg area.

Your Profil:

- Completed a degree in science or medicine
- At least three years of experience in clinical research as CRA at a contract research organization or sponsor
- Knowledge of GCP (ICH GCP, DIN EN ISO 14155) and other regulatory requirements (MPDG /MDR) desirable
- Adequate knowledge of all functional processes of a clinical trial,
- Commitment, flexibility, initiative, ability to work under pressure and as a team player
- Strong communication, analytical and conceptual skills
- Independent, problem-solving and proactive working style
- Very good knowledge of German and English
- Willingness to travel nationally and internationally
- You appreciate the advantages of a small company.

We offer:

- Personal atmosphere
- The opportunity to actively shape your area of responsibility independently
- Flexible working hours
- 30 vacation days with 40 hours per week

Your innovation experts in
natural health products

- Assumption of costs for BVG ticket (area AB)
